- A creative display is to be prepared showcasing the talents of the children/students. The display should also promote the organization and the local area. This Section is open to all education facilities including Playgroup, Kindy, Primary and Secondary schools.
- The display will be judged on overall creativity and visual appeal. Make it bright, colourful and interesting!
- A fabric banner will be provided by the Show Society for the display and items must be fixed onto the fabric for hanging. Items are not to hang beyond the fabric but both sides of the fabric banner may be utilized.
- If the school would like to display 3D or bulky items, these can be entered under individual students' names in the Art, Needlework or other relevant Section of the Schedule.
- Please contact the Steward by Monday 3rd February 2025 to nominate your entry and arrange for delivery / collection of the fabric.
- The display is to be received by the Steward **by** Thursday 20th February.
(Art Stewards will be at the Showgrounds between 8 – 10am Wednesday 19th February to accept Junior Art / Schoolwork entries.)
- The displays will be dismantled from 4:30pm Saturday 22nd February and items boxed for each school for collection from 5pm onwards.
